### TheGenealogist adds nearly 53,000 new Headstone records

This week [TheGenealogist](https://www.thegenealogist.co.uk) has expanded its growing International **Headstone Collection** with some interesting new additions that allow researchers to see details that have been carved on stone about their ancestors and commemorated in various churches and cemeteries. The headstone records released cover 71 new cemeteries from the English and Welsh counties of Buckinghamshire, Cheshire, Conwy, Denbighshire, Devon, Dorset, Essex, Flintshire, Gloucestershire, Hertfordshire, Kent, Lancashire, Merionethshire, Merseyside, Oxfordshire, Somerset, Warwickshire, West Midlands, Wiltshire and Worcestershire.

The International Headstone Collection is an ongoing project where every stone photographed or transcribed earns volunteers credits, which they can spend on subscriptions at [TheGenealogist.co.uk](https://www.thegenealogist.co.uk) or products from [GenealogySupplies.com](https://www.genealogysupplies.com).
